

# COMPREHENSIVE IMMIGRATION REFORM FORUM

## Understanding What is Broken and Achieving Comprehensive Immigration Reform

Town Hall discussion with  
*the Honorable Luis Gutierrez*

Elev8 students, families, community residents, and others in conjunction with U.S. Congressman Gutierrez will discuss the impact of the broken immigration system in America today and how it directly affects students, families, and communities.

The discussion will establish the framework for why **comprehensive national immigration reform** is necessary by focusing on personal **experiences** that shape this issue and the **actions** that can be taken to help achieve this goal of comprehensive immigration reform.

Come join us for an important conversation and next steps that YOU can take to help with immigration reform. There will also be opportunities to access community resources available to you and your family during a community-specific resource fair.

*Elev8 Chicago seeks to transform the educational achievement and life outcomes of disadvantaged middle school students in five of the city's public schools. Elev8 Chicago envisions these young people graduation from 8<sup>th</sup> grade, ready to make the importance choices of adolescence.*
